EXTRA JURORS ARE CALLED TO COURT

On account of so many of the trial jurors having sat on one or the other of the two cases to come before the Circuit Court tomorrow, it has become necessary to discharge a large number of them and to draw entirely new men in their places. The following new jurors will therefore appear tomorrow morning: Herman Busche, Antone Fernandez (2), R. L. Hughes, W. G. Pillar, W. C. Reichardt, E. A. Knudsen, Jos. Gomez, Charlie Aki, A. Gandall, J. P. Kahlbaum, J. M. Lydgate, E. H. W. Broadbent, Fred. Eggerking, T. B. Buch, Karl Roendahl, J. K. Kaauwai, P. A. Romane, Andrew K. Leoliki, Gustav Hackbarth and C. D. Milliken.

The jurors not excused, and who will also appear tomorrow, are: M. V. Fernandez, Chas. Blackstad, Dick Roder, A. G. Hime and J. P. Alohioka.

It is a notable fact that there are three preachers in the new list above, as follows: Rev. J. M. Lydgate, Rev. C. D. Milliken and Rev. J. K. Kaauwai. Surely this is a good start for judicial virtue, and all that is fair and right and proper will be expected from the jury.

The cases to come up are two against Halalu, statutory charges from Eleele; and a Chinaman charged with perjury. It is supposed that court will adjourn after these cases are over as they complete the term calendar.

OU BEACH PARTY

The Ou Club's March entertainment took the form of a moonlight beach party, given at the home of Albert Horner, Jr., last Saturday evening. The swimming was declared to be very fine by those who "went in", while some elected to seek amusement at bridge and other games.

Refreshments were served after which all wound up a very pleasant evening in dancing.

To Mother's Bedside

Miss Colburn, of the Kapaa school, received a wireless on Thursday announcing the serious illness of her mother, Mrs. John F. Colburn, at Honolulu, and requesting that she return home without delay. She left in the steamer Saturday night. Mrs. Colburn was about to undergo an operation. If all has turned out well Miss Colburn will return to her school tomorrow.

Gen. Johnson Coming

Information has been received that Brigadier-General Samuel I. Johnson will shortly visit Kauai. He will probably be accompanied by Major L. W. Redington, his chief of staff. While there will be no formal inspections or anything of that sort, there will undoubtedly be turnouts of some kind while the officers are here.

Eleele Politics

Republicans of the Wahiawa precinct foregathered at Eleele hall Friday evening to nominate a delegate to the convention in Honolulu. W. D. McBryde was nominated delegate, with J. P. Kamanuawai as alternate. Inasmuch as there was, or is, no opposition that will be the way the matter will stand.

MR. M'CALL TAKEN SERIOUSLY ILL

F. E. McCall, a teacher in the Kauai High and Grammar School, is very ill in the Lihue hospital with typhoid fever.

The case came on suddenly about last Thursday and developed rapidly, so that a very high temperature was reached in an unusually short period, giving the friends of Mr. McCall much anxiety.

Indications thus far are of a serious case, although it is a little early to tell with definiteness.

Mr. McCall came to the local high school at the beginning of the year in September last. Prior to that he had been teaching in the Lahainaluna School, on Maui. Although a resident of Kauai for a short time only, he has become conspicuously identified with sports and social activities, and is a lieutenant in the National Guard.

Waimea Literary

Owing to the failure of the set speaker to arrive, the principal feature on the program of the Waimea Literary Society for Saturday night did not materialize. The members were treated, however, to a splendid address by Captain G. T. Greig on the subject of "Patriotism," his remarks being followed by quite interesting discussion.

Prof. John S. Donaghoo, of the College of Hawaii, will be present at the next meeting of the society and will give a talk on the subject of "Tides." That meeting will be held at the residence of Supervisor T. Brandt.

Fernandez' Show

W. Fernandez has been making a big success of the Blanche Sweet films in the various theaters of the island. One closed last night at Kealia and another will now be put on. A splendid Mary Pickford film is also coming. Announcement concerning coming program appears elsewhere in this issue.

To The Wedding

Captain E. W. Carden, of Lihue bank, will be a passenger for Honolulu tonight to attend the wedding of his brother, who is deputy city and county attorney. He will be gone a week or ten days.

Eleele Wins a Game

In the soccer game between Eleele and Kalaheo schools Friday afternoon the former won by a score of 2 to 0.

BENEFIT OF N. G. H.

The Makaweli National Guard companies engaged Willie Fernandez' motion picture outfit for a benefit show last Wednesday night and cleared quite a neat, little sum, which will go into the treasuries of the companies to be used for incidental expenses.

THE LEARNED DANCE

The gentleman to present the main feature before the Waimea Literary Society at the meeting held Saturday evening was unable to come over from Honolulu, so they turned the affair into a dance.

OLIVERS TO TOWN

Mr. and Mrs. "Dick" Oliver, of Waimea, sailed in the Kinau Saturday afternoon for Honolulu where they will spend a week on business and pleasure bent.

Moana To Be Enlarged

The Moana hotel, at Waikiki, is to be enlarged into a luxurious resort. This report is not denied by the Territorial Hotel Company. About \$200,000 will be expended on the resort. President von Hamm will not discuss the plans. Improvements contemplated include two big wings, an ornamental pier and dancing pavilion.

Washington—The report here is that Villa has been met and defeated by Carranza forces at Namiqusa and has fallen back—the presumption being in the direction of Pershing's forces.

Is Peace Really Coming?

Galveston—"Immediate peace is in sight" is a significant sentence from an even more significant cablegram received here from a big firm in London. It is taken to mean that prospects are bright for early ending of the great war.

THEODORE E. BURTON

Former senator from Ohio who has definitely announced his candidacy for nomination on the Republican ticket for president. Burton has the advantage of being from an important, pivotal State, but his personal strength nationally has never been put to the test.

POLITICAL POT SIMMERS LIHLI

The political pot began to simmer in Lihue Friday night when, in the district court room of the county building, Chairman H. D. Wishard rapped for order and opened the meeting of the Republican precinct club. A. G. Kaulukou officiated as secretary. The court room was fairly well filled with voters of the precinct.

Hon. C. A. Rice was the principal speaker of the evening. He dealt chiefly with the business in hand—that of the delegates to be sent to the convention in Honolulu and that of the delegation to the national convention in Chicago. In connection with the latter proposition a letter from Congressman McKinley was read in which that gentleman indicated the opinion that Hawaii's delegation to Chicago should not be instructed.

That seemed also to be the sentiment of the meeting.

The following were nominated to be delegates to the convention at Honolulu, and as they have no opponents are already elected: Chas. A. Rice, Chas. H. Wilcox and J. H. Coney.

Gorman To Koloa

P. A. Gorman, of the grocery department of Theo. H. Davies & Company, arrived at Koloa Wednesday morning where, it is understood, he will remain as manager of Kauai the Trading Company. Mr. Gorman is well known on this island, having visited Kauai regularly for about ten years. He is quite popular and will without doubt make a success of the business at Koloa.

GOVERNOR COMES TO QUESTION US

According to the following, published at Honolulu yesterday, the Governor will shortly arrive on Kauai for the purpose of holding a mass meeting and finding out the wishes of the people respecting the Kapaa homesteads.

Governor Pinkham within a short time will make a trip to Kauai for a personal investigation of the Kapaa homestead situation.

He will call a public meeting of the homesteaders there to discuss the cane contracts and the prospects for future railroad facilities.

He will probably take the new land commissioner, B. G. Rivenburgh, and may take Superintendent of Public Works Forbes.

Announcement to this effect was made by the governor this morning. As published last week in the Star-Bulletin, homesteaders are complaining of delay in getting their contracts, many of them negotiating unofficial contracts with Makee Sugar Company in the absence of a settlement of the terms with the Lihue Plantation, the governor not having approved these latter.

"It has been a case of conflicting interests, of individuals who were not themselves sure what they wanted, and of the territory's trying to protect the public interest," said the governor this morning. "When this meeting is called I shall ask the homesteaders what they want."

The governor says that the territory isn't going to be forced into hasty action by the views of individuals which may not coincide with public policy. He hopes that a personal visit with the new land commissioner will result in a clearing of the atmosphere.

FILIPINO STABS COUPLE OF WOMEN

A Filipino of Hanamaulu known as Martinez concluded a family jar Saturday by slashing up his wife, his mother-in-law and then trying to kill himself.

The trio are now in the Lihue hospital. Martinez is not badly wounded, but both of the women are in a doubtful state. They are quite badly cut up and should complications set in the results might be serious.

Jealousy was probably at the bottom of the whole trouble. According to other Filipinos, Martinez and his wife have quarreled before, a third party being more or less concerned. Saturday the wife refused to stay with the jealous man anymore and returned from Hanamaulu to the home of her mother in the Filipino camp at Lihue. Martinez followed her there and the cutting took place shortly afterward.

Both women were cut several times, the weapon used being a cheap IXL pocket knife. Presumably believing that he had murdered the women, Martinez went into the cane field and stabbed himself. His wounds are not dangerous.

COURT CASES TOMORROW

Halalu, the young Hawaiian of Hanapepe who has come in of late for a great deal of notoriety, will appear in court tomorrow for trial on two indictments similar to the statutory one on which he was tried and acquitted last week. The complaining witness in one case is a Japanese girl and in the other, Chinese. Judge Chas. S. Dole has been appointed by the court to defend the accused.

Lau Hip Hoon will also appear for trial tomorrow on the charge of perjury.

Lumber Schooner In

The schooner Louise, Captain Hammer, arrived at Port Allen last Tuesday, coming from Gray's Harbor. She brought 420,000 feet of lumber for the Kauai Railway Company. It is her expectation to get away either this afternoon or early tomorrow morning for San Francisco.

Raymond, Maybe

Inspector Raymond, of the Department of Public Instruction, wrote a bare line over last week to say that he would probably arrive at Waimea tomorrow morning to look up some matters and visit the schools. Nothing farther has been heard from him, so the expectation at this writing is that he will show up.

Ready For Soccer

Announcement was made from the Waimea side yesterday that the third battalion, Fourth Regiment, is now ready to tackle any other battalion at soccer, its team being in first-class shape.

Roendahls Entertain

Mr. and Mrs. Karl Roendahl, of Elele, entertained a number of friends at a dinner party out Friday evening, March 17, to celebrate their wedding anniversary. Cards, dancing and music were enjoyed during the evening.
